

# AQUASHADOW<sup>®</sup> OA

DECORATIVE POND COLORANT

**ADDS BEAUTIFUL AQUA-BLUE COLOR TO FOUNTAINS, AQUARIUMS, ORNAMENTAL GARDEN PONDS AND OTHER WATERSCAPES.**

Safe for fish, wildlife, and domestic animals.

Wear rubber gloves when applying Aquashadow<sup>®</sup> OA to avoid staining. Apply one (1) fl. oz. per 1,000 gallons of water. Add more as needed to provide a pleasing tint. No dilution necessary.

Pour directly into the water. Product will mix throughout.

Turbid (muddy) water may distort color.

Not for use in natural streams or other natural bodies of water or any body of water not under total control of the user.

Do not apply to water that will be used for human consumption or use with filtration media that removes color. Chlorination will remove color.

**CAUTION:** Avoid contact with skin, eyes, or clothing.

In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

Stains on skin or clothing can be removed with a weak bleach solution.

Do not pour directly on desirable floating plants such as water lilies.

Store in original container in a cool, dry place. Keep from freezing. Do not reuse empty bottle. Rinse and offer for recycling.

KEEP OUT OF REACH OF CHILDREN
